Dear Sir/Madam:

I am conducting a survey of issues that municipal governments transact by e-mail. To this end, I would like copies of the last three e-mail messages that your town or city manager/administrator received before noon on Friday, May 5. Those emails should concern municipal business. There is no need to include attachments.

You may forward copies of these e-mail messages to the following address: [brodden1@maine.rr.com](mailto:brodden1@maine.rr.com) or mail printed copies in the enclosed, stamped, self-addressed envelope. I am enclosing \$1.00 to cover any duplication costs.

I would appreciate it if you would respond by Wednesday, May 17. Thank you in advance for your help with my project.

Sincerely,

Bonny Rodden
