Dear Ms. Rodden: Though some annotation would be helpful for you to understand the emails. If you have any question, please contact me -- Ed Barrett

Balance Due of \$2.00

About an hour ago I sent you the response from Cape Elizabeth. One of the e-mails was to the Town Council dealing with upcoming meetings and an executive session. Knowing your interest in public process, I think you might find of interest that the e-mail from the Town Clerk was also sent to our webmaster. The meetings contained in the e-mail were immediately posted on our website <http://www.capeelizabeth.com/cgi-local/calendar/calendar.cgi>. The Fort Williams Park pay display system meeting referenced also immediately became an article on our homepage <http://www.capeelizabeth.com/> with the full agenda and materials posted. As you and the freedom of access coalition recognize poor practices by communities as part of your project, I hope that you might also focus on good practices as well. Mike McGovern, Town Manager
